PRESS RELEASE – May 2008

FDI Logbox is pleased to announce an increase of 50% in the number of contracts signed

FDI Logbox is pleased to announce an increase of 50% in the number of contracts signed, for a total value of over 300M€, over the financial year 2007-2008. This increase has been accompanied by a progression in the company's service offer: The fruit of an agreement with GE Commercial Finance, FDI Logbox is now offering its Logbox service backed up by an international line of finance that provides its customers with a very novel form of financing, and which benefits from the customer credit management service provided by FDI Logbox at the same time.

FDI Logbox has also launched an on-line service for secure customer credit piloting that gives a real-time view of all the management parameters required for optimising customer credit management and working capital requirements.

Lastly, FDI Logbox has extended its presence to new geographical zones for covering areas where its customers wish to develop their sales: Greece and Eastern Europe (Poland, the Czech Republic, Slovakia, Hungary and Slovenia).

Dominique Chatelin – FDI Logbox President & CEO - declares that: "By working in daily contact with 500 brands and 28,000 retailers in 25 countries, we help our customers grow by optimising their relations with retail networks. With our latest innovations, we are going to enable them not only to become more flexible and achieve higher performances on an increased number of markets, but also to find sources of finance for their growth".

FDI Logbox is the privileged partner of over 500 brands of international renown, including: Guess, Kenzo, See by Chloé, Dolce & Gabbana, Liu Jo, Meltin'Pot, Gianfranco Ferré, DKNY Jeans etc... Among the brands which have begun their collaboration with FDI in 2007-2008, the most important are : 7 For all Mankind, Henri Lloyd, 686, Alexander Mc Queen, Dimensione Danza, Bill Tornade, Against my Killer, Maje, Franklin & Marshall, Baci & Abbracci, Lollipops, Hello Kitty, Guess kids, ...
